

*Ephesians 5: 31-32*

What your mom and dad TOLD YOU was probably what their mom and dad TOLD THEM.

We need to change “THE TALK”.

Parent hold the BLUE PRINTS to their children’s sexual identity and health.

All of the blanks that don’t get filled in will eventually become SEXUAL BAGGAGE.

We fill our packs with IDEAS, EXPECTATIONS & MEMORIES.

YOU and your WIFE need to talk first.

The talk needs to start SOONER rather than LATER.

The talk needs to be about the AMAZING GIFT of sex.

The talk starts with everyday CONVERSATION with your kids about their LIVES.

*Matthew 11:28*
